

COMMERCIAL DRIVE TABLE 1

COMMERCIAL RIGHT-TURN LANE AND TAPERS					
Design Features		Curbed Roadway		Uncurbed Roadway	
		Standard	Range	Standard	Range
Curb Ending	E	Not Applicable		10 ft.	No Range
Right-turn Lane Length	F	As determined by the road commission			
Right-turn Lane Width	G	12 ft.	10 - 15 ft.	12 ft.	10 - 15 ft.
Entering Taper	H	150 ft. *	50 - 150 ft.	150 ft.	50 - 150 ft.
Exiting Taper	J	Not Applicable		50 ft.	50 - 150 ft.
<p>* If a right-turn lane is used, the entering taper standard shall be 50 ft. Without a right-turn lane, the entering taper standard shall be 150 ft.</p>					
<p>The standard shall be used unless engineering judgment determines that another dimension within the range is more suitable for a particular site or a special condition is approved by the road commission.</p>
